To: 4-Hers interested in Sewing

From: Candice Hollingsworth 
County Extension Agent for 4-H/Youth Development

The 4-H Sewing Project Leaders are excited to announce sewing workshops at the Shelby County Extension Office. Each session is limited to 10 participants in order to have adequate volunteer to student ratios. Students will build their sewing skills and complete a sewing project.

The Sewing Workshop will be held on **January 30, February 6, February 13, February 27 and March 6**. Attendance is required at each session until the garment is completed. Pre-registration is required on a first come basis. 4-H Enrollment Forms and Permission Form must be returned to the Shelby County Extension Office by January 25. Students that do not turn in the registration paperwork are not permitted to attend the workshop.

Workshops will be held on Mondays from 3:00 p.m. (or immediately after school) until 5:00 p.m. A snack will be provided. If school is out due to weather conditions, then the meeting is cancelled. All workshops will be held at the Shelby County Extension Office. **Parents must arrange for their child to be picked up by 5:00 p.m. at the Shelby County Extension Office.**

After the February 6 meeting, 4-Hers without the proper supplies will not be allowed to attend the workshop. If a 4-Her finishes the project, he/she should not attend any remaining sessions. This allows optimal use of volunteer time and makes supervision of the students easier.

Students that participate in the 4-H Sewing Workshop should mark their calendars for May 4 for the 4-H Fashion Revue to exhibit their garments. If you have questions, please call the Extension Office at 502-633-4593

I give permission for _____ to attend the 4-H Sewing Workshops after school from 3:00 (or immediately after school) until 5:00 pm. I understand that to attend my child will abide by the following guidelines:

- Be Respectful to all 4-H Sewing Volunteers and Leaders
- Have all necessary supplies to participate after the first meeting. If a participant does not have supplies, do not come to the extension office after school because there will be nothing for them to do. Parents will be called to come and pick them up. If there is a hardship to your family in obtaining supplies, please call our office for assistance in advance.
- Once your garment is complete, please do not attend additional sewing dates so that others sewers can also complete their garments.
